

Official launch event of the Platform Living Wage Financials (PLWF)

Purpose: Launch the Platform Living Wage Financials; present the results of the 2018 company assessments; showcase good practice on living wage implementation in the garment & footwear sector

Location: MN, Pr. Beatrixlaan 15, 2595 AK, The Hague, the Netherlands

Date & time: 27 September 2018, 11:30-17:30

Dear Sir or Madam,

It is our pleasure to invite you to the official launch of the **Platform Living Wage Financials (PLWF)**, a Dutch investor coalition that collectively represents **over €537 billion AUM**.

Under the umbrella of the Platform, financial institutions come together to support, assess, and monitor investee companies with regard to their commitment to **paying a living wage to the workers in their supply chains**. The focus in 2018 is on the **garment & footwear sector**.

During the event, we will:

- officially launch the Platform and present its work in 2018, including the results of the company assessments;
- share the stage with both public and privately held garment & footwear companies to hear their first-hand stories and showcase good practice on living wage implementation; and
- discuss how we can all collaborate to progress on the payment of living wage in global supply chains.

The conference is by invitation and it will bring together 60-80 experts from financial institutions, governments, businesses, academia and the non-governmental sector. Please, find a draft programme highlighting the key elements of the event below. As you can see from the programme, we are also determined to providing a platform to garment & footwear companies to share their own experiences so that we can have an honest debate on what works and what actually results in a positive, lasting impact on the ground.

We kindly ask you to confirm your participation by replying to this e-mail.

If you have any questions, please, feel free to contact Kristina Stonjeková from MN (kristina.stonjekova@mn.nl) or Irina van der Sluijs from ASN Bank (irina.vandersluijs@asnbank.nl).
